PACKING TIPS FOR FAMILY ROAD TRIPS

Give every child a separate snack bag/box for the road.

Have a bag of “surprises” a grown-up hands out throughout the trip.

Have a trash bag handy at all times.

Try to pack all of the clothes in one suitcase.

Pack your pajamas and toiletry bag on top so if you get in late, you can just grab the pajamas and unpack in the morning.

Pack the car the night before you leave, and pack the cooler last—make sure you leave room for the cooler!
